

Town of Hertford General Ordinances
Chapter 14
Town of Hertford- Hertford Bay Marina
Rules and Regulations

14-1- General Rules and Regulation

1. Transient dockage is available for 48 hours at no charge. Arrangements for docking for extended periods of time can be made through the Town Manager's office.
2. Pump out service is provided at the end of the main dock, and a universal hose is available. There is to be no overboard discharge of any grey, bilge or sewage at any time in the marina area.
3. Potable water is available at the end of the main dock, and boaters must provide their own hose.
4. 50 and 30 amp services are available at the end of the main dock, and boaters must provide their own shore power cord. Town staff will check to ensure that the cord used is in good condition and free from defects as soon as possible.
5. Boat owners and guest should keep their noise to a minimum, and should maintain quiet hours between 10 PM and 8 AM. Boat owners should use discretion in operating motors and generators so as not to create a nuisance. Any violation of the Town's Noise Ordinance will result in the loss of docking privileges.
6. Boat owners shall not store supplies, materials and accessories or debris upon the dock or finger piers. No permanent installation of dock boxes or other storage is permitted.
7. Boat owners who arrange for work to be performed on their boat by outside contractors should notify the Town Manager's office prior to work being begun. Boat owners agree to assume all liability for damage caused to the Marina by such outside contractors.
8. Boat owners with pets shall keep them on a leash at all times and shall clean up after them Immediately.

9. Boat owners will be held responsible for any damage which they may cause to other boats in the Marina or for damage to any structures, including docks, finger piers, mooring pilings, etc.
10. The owner of any vessel tied to the Town's facilities during any storm, including hurricanes or nor'easters, will be responsible for any and all damage caused by said vessel and must provide that sufficient insurance is held to make the Town of Hertford an additional payee.
11. Vessels already docked at the Town of Hertford owned facility may leave their boat there during a named storm event, but no owner shall be allowed to tie their vessel to the same facility after a storm is forecast to impact the region.
12. The Town, at the expense of the registered owner, shall remove any abandoned vessel when deemed necessary by the Town Manager.
13. No chartering or commercial operation of any vessel will be permitted without the prior express written permission of the Town Manager.
